

Squad 6

Squad number	6
Project coordinator (Sprint 1)	Andis Lejietis
Project coordinator (Sprint 2)	Erkki Loginov
Communication channels	Telegram group chat - Squad 6 / Loan platform
Communication routines	Discussing all that is necessary for the project in our Telegram chat, for insights, details, work delegation and most actual working approaches
Working approach	<ul style="list-style-type: none">• Work is split accordingly with the team and managed either by project coordinator or suggestions from other team members• Work is being completed either by:<ul style="list-style-type: none">• Collaborating in workshops• Individually to get around time limitations that set by outside limitations• meetings outside workshops• All setbacks and misunderstandings are discussed in chat, for fast and clear solutions
Other (work flow suggestions)	<ul style="list-style-type: none">• Before submitting a bug report - check Jira board in a separate tab for report duplicate• Combine only similar bugs to prevent fragmentation• Simplifying test cases to minimize multiple results in them• Present all available times for us to agree on meeting time• suggestions in chat from other members that could be improved on created test cases and bugs<ul style="list-style-type: none">• <i>simple local critique to improve overall presentation of our work?</i> - Rising tide rises all boats
